

10/666,437

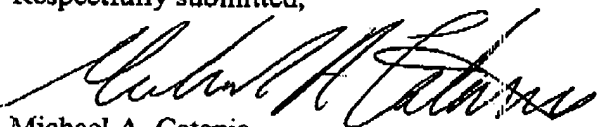

Response dated Jun. 23, 2005

In reply to Off. Act. Dated Mar. 25, 2005

**REMARKS**

Claims 1, 3, 4, 9 and 11-14 were rejected under 35 USC 103, as obvious in view of the prior art. Claim 1 has been amended to include the limitation that the ink composition comprises aluminum trihydroxide and an aliphatic urethane triacrylate, support for which is found at page 12, line 30 and Example 5. Claim 1 has also been limited to an indicia thickness on the golf ball of less than 100 microns, support for which is found at page 13, line 15. It is believed that the remaining claims are now allowable. The Applicants therefore respectfully solicit a Notice of Allowance.

Respectfully submitted,

*June 23, 2005*
